Subject: FW: back to school week of action is cancelled for next week

Hi all—

It looks like Back to School Week of Action has been cancelled for next week due to the spill.

We should think what we want to do with the EE PR's. Do we still want to get those out next week and not add anything about back to school? I'll talk with Bill to get his opinion too, but let me know what you think.

Thanks,

Soledad

Subject: back to school week of action is cancelled for next week

Hi All:

Due to our focus on the Gold King Mine spill in Colorado we are *cancelling* Back to School Week of Action next week. Let me know if you have any questions and please forward this message to anyone who may be involved/working on this.
